

Admissions Policy

The school's admission arrangements follow the East Riding of Yorkshire 'Primary Admissions' procedures. This means children join our school full time in the September of the year in which they have their fifth birthday.

Children who attend Leconfield Pre-School are invited to our Christmas Concerts and other special events throughout the year. This gives them the chance to form happy and enjoyable impressions of the school even before they start.

During the summer term before they are admitted, parents and children are invited for an afternoon visit. Children and parents spend time in the Reception classroom without teachers and nursery nurse. Parents are also given a guided tour of the school by the headteacher.

An evening meeting for parents is held before children start school. Parents are given information relating to various aspects of school life, including the school curriculum. This also gives parents the opportunity to ask questions.
