NEWSLETTER 24th May 2019

Week 32

Dear Parents & Carers,

Our Week

Acorn Class – We have been planting turnip seeds, reading 'The Enormous Turnip', making turnip crisps and making lots of patterns in maths using natural things from all around us!

Chestnut Class – We have been enjoying the book 'The Scarecrows Wedding', wrote invitations to the scarecrow wedding and held our very own wedding ceremony!

Cherry Class – We donned our safety goggles and set about hammering nails into our rain sticks!

Ash Class – We have been going with the flow! We made rivers with mud and water which was lots of fun. We also tried out our drawing skills and learned about AI using the Quick Draw site!

Oak Class – We have been bombarding local businesses with (very polite and formally written!) requests for help with our upcoming Summer Fair!

Thank you for your support. Have a lovely half term!
Katie Tracey, Headteacher

Health & Safety Update

The ERYC has agreed to part fund the removal of wire, metal and other debris from along the boundary line near the slope to the pedestrian entrance from Grange Road. We are waiting to hear when this will be.

In the meantime, the area will remain taped off as a reminder that no one should be playing in this space.

Please continue to supervise your children in this area.

Thank you for your support with this matter.

Photos of our Year 6 letting off steam after SATs on Page 2!!

Cherry Class had the highest attendance this week with 99%!

Our whole school attendance was 96%

Diary Dates

We hope you all have a super Bank Holiday Monday and half term break!

Remember we return to school on TUESDAY 4th JUNE!

Thank you for supporting our Camo Day!
You all looked incredible!
We will let you know how much we raised for SSAFA!

What do Year 6 do once SATs are over...?

Following a week of statutory testing our fantastic Year 6 enjoyed some well-deserved time off with a very enthusiastic morning of water games!

Massive thanks & respect to Mr Elder...there are not many Year 6 teachers who would do this!
