Newsletter to Parents

Summer Term 2019

Summer is here again! In Ash Class we have lots of exciting activities ahead. Your child's class teacher is Miss Allanson. Mrs Blackledge and Miss Murrey will support the children as well.

We will be learning about

The topic for the Summer Term is "Raging River"

We are going to explore the UK and the world learning about how rivers are formed, erosion and deposition. Ash Class will be making their own rivers. Also, we will be learning about the effects of climate change and pollution.

In Science we will focus on river and coastal habitats. How have organisms adapted to their environment? How do they depend on each other in their ecosystem? Ash Class will learn about the work of David Attenborough and Jane Goodall.

We will also learn about the importance of water in industry and hydropower.

In Design Technology the children will face the boat race challenge. Who can design the quickest boat that floats?

In RE we will learn about 'Our World' and explore creation stories.

Ash Class Mission Statement

Awesome Ash Class will be incredible in everything they do.

PE and Games Lessons

Ash class will participate in PE sessions led by school staff. We will be participating in both indoor and outdoor activities. *Children are asked to bring their full P.E. kit to school on a Monday. Then take it home every Friday for washing. For our outdoor P.E. lessons, it is important that children have warm clothing (tracksuit bottoms and a sweatshirt) as well as shorts, a t-shirt and trainers. Girls who wear tights should bring a pair of socks to keep in their P.E. bag. Earrings must be taken out for P.E. lessons or covered using tape. Please provide tape if you do not wish your child to take their earrings out.*

Music

In our music sessions we will all be 'Dancing in the Street'. I am sure you will know the song. Ash Class will be singing along, playing the glockenspiels and composing.

Ash Class will also be participating in the 'Big Sing' at Bridlington Spa.

Rewards

Children love our Teddy rewards, certificates and stickers. When a Teddy is awarded it is recorded on a chart in the classroom and in the teacher's record book. When the children have earned 20 Teddies, they will receive a Bronze teddy in the Friday assembly. If your child is going to be awarded a certificate, Bronze, Silver or Gold Teddy we will inform you by note. Certificates and Teddies are awarded in Friday assemblies in the main hall at 9.10am. Parents are warmly invited to attend these assemblies.
