1. Aims

Our school aims to:

- › Have robust, clear processes in place for charging and remissions
- › Clearly set out the types of activity that can be charged for and when charges will be made

2. Legislation and guidance

This policy is based on advice from the Department for Education (DfE) on [charging for school activities](#) and [the Education Act 1996](#), sections 449-462 of which set out the law on charging for school activities in England.

3. Definitions

- › **Charge:** a fee payable for specifically defined activities
- › **Remission:** the cancellation of a charge which would normally be payable

4. Inclusion Statement

Leconfield Primary School is committed to creating a school in which the teaching and learning, achievements, attitudes and well-being of every member of the school matter. We seek to create opportunities for all children to achieve their very best in terms of academic attainments and personal attainments. We aim to make the curriculum accessible to all in a stimulating learning environment in which success is celebrated in all areas. We strive to make everyone feel welcome. We endeavour to work with parents and members of the community to create a supportive environment for learning. We take account of the Single Equality and SEND Practices in this policy. Overview under the terms of the 1988 Education Act, education should, in the main, be provided free from charges. The governors and staff accept this as a principle and the following policy outlines their view and proposed action.

Education for pupils is free from charge if:

- it takes place in school hours
- it is part of the National Curriculum.

4. Roles and responsibilities

4.1 The governing board

The governing board has overall responsibility for approving the charging and remissions policy, but can delegate this to a committee, an individual governor or the headteacher.

The governing board also has overall responsibility for monitoring the implementation of this policy.

4.2 Headteachers

The headteacher is responsible for ensuring staff are familiar with the charging and remissions policy, and that it is being applied consistently.

4.3 Staff

Staff are responsible for:

- › Implementing the charging and remissions policy consistently

- Notifying the headteacher of any specific circumstances which they are unsure about or where they are not certain if the policy applies

The school will provide staff with appropriate training in relation to this policy and its implementation.

4.4 Parents

Parents are expected to notify staff or the headteacher of any concerns or queries regarding the charging and remissions policy.

5. Where charges cannot be made

Below we set out what we **cannot** charge for:

5.1 Education

- Admission applications
- Education provided during school hours (including the supply of any materials, books, instruments or other equipment)
- Education provided outside school hours if it is part of:
 - The national curriculum
 - Religious education
- Instrumental or vocal tuition, for pupils learning individually or in groups, unless the tuition is provided at the request of the pupil's parent

5.2 Transport

- Transporting registered pupils to or from the school premises, where the local authority has a statutory obligation to provide transport
- Transporting registered pupils to other premises where the governing board or local authority has arranged for pupils to be educated
- Transport provided in connection with an educational visit

5.3 Residential visits

- Education provided on any visit that takes place during school hours
- Education provided on any visit that takes place outside school hours if it is part of:
 - The national curriculum
 - Religious education
 - Supply teachers to cover for those teachers who are absent from school accompanying pupils on a residential visit

6. Where charges can be made

Below we set out what we **can** charge for:

6.1 Education

- Any materials, books, instruments or equipment, where the child's parent wishes him or her to own them
- Optional extras (see below)
- Music and vocal tuition, in limited circumstances

- › Certain early years provision
- › Community facilities

6.2 Optional extras

We are able to charge for activities known as 'optional extras'. In these cases, schools can charge for providing materials, books, instruments or equipment. The following are optional extras:

- › Education provided outside of school time that is not part of:
 - The national curriculum
 - A syllabus for a prescribed public examination that the pupil is being prepared for at the school
 - Religious education
- › Transport (other than transport that is required to take the pupil to school or to other premises where the local authority or governing board has arranged for the pupil to be provided with education)
- › Board and lodging for a pupil on a residential visit
- › Extended day services offered to pupils (such as breakfast clubs, after-school clubs, tea and supervised homework sessions)
- › Requests for any policy documents from school to cover administration costs
- › Some activities outside school hours
- › School meals

When calculating the cost of optional extras, an amount may be included in relation to:

- › Any materials, books, instruments or equipment provided in connection with the optional extra
- › The cost of buildings and accommodation
- › Non-teaching staff
- › Teaching staff engaged under contracts for services purely to provide an optional extra (including supply teachers engaged specifically to provide the optional extra)
- › The cost, or an appropriate proportion of the costs, for teaching staff employed to provide tuition in playing a musical instrument, or vocal tuition, where the tuition is an optional extra

Any charge made in respect of individual pupils will not be greater than the actual cost of providing the optional extra activity, divided equally by the number of pupils participating.

Any charge will not include an element of subsidy for any other pupils who wish to take part in the activity but whose parents are unwilling or unable to pay the full charge.

In cases where a small proportion of the activity takes place during school hours, the charge cannot include the cost of alternative provision for those pupils who do not wish to participate.

Parental agreement is necessary for the provision of an optional extra which is to be charged for.

6.3 Music tuition

Schools can charge for vocal or instrumental tuition provided either individually or to groups of pupils, provided that the tuition is provided at the request of the pupil's parent.

Charges may not exceed the cost of the provision, including the cost of the staff giving the tuition.

Charges cannot be made:

- › If the teaching is an essential part of the national curriculum
- › If the teaching is provided under the first access to the Key Stage 2 instrumental and vocal tuition programme
- › For a pupil who is looked after by a local authority

6.4 Residential visits

We can charge for board and lodging on residential visits, but the charge must not exceed the actual cost.

7. Voluntary contributions

Voluntary contributions will be requested of parents to allow visits to take place, which supplement and extend work included in the National Curriculum.

In cases where there are insufficient voluntary contributions visits will be cancelled.

The school values the contribution made by parents over the past years which have allowed visits to take place. Voluntary contributions may be requested on occasions either in cash or kind for materials or ingredients used in various activities. If finished products are to be taken by pupils a charge may be made.

The Governing Body reserves the right to ask parents to pay for the cost of replacing items of school property which are broken, lost or damaged, where it is the result of a pupil's behaviour.

The school holds its own fund-raising events from time to time. Sometimes these support our own funds, but usually they support such charities as Comic Relief or the Poppy Appeal. Note that financial contributions to these events are voluntary.

8. Activities we charge for

The school will charge for the following activities:

8.1 School Meals

The price will be set annually in line with Local Authority recommendations and parents will be notified via letter. If parents are in receipt of 'Income Support' or 'Job Seekers Allowance' their child may be eligible for free school meals. Parents are encouraged to complete the appropriate form and return this to the Local Authority.

8.2 Breakfast Club/After School Club

The price will be set annually and parents will be notified via letter. The charge will reflect costs associated with running the provision i.e staff costs, food, materials, lighting and heating.

For regular activities, the charges for each activity will be determined by the governing board and reviewed in May each year. Parents will be informed of the charges for the coming year in July each year.

9. Remissions

In some circumstances the school may not charge for items or activities set out in sections 6 and 8 of this policy. This will be at the discretion of the governing board and will depend on the activity in question.

Where charges would cause financial difficulties a reduced rate or no charge may be made. This is at the discretion of the Head. Sometimes, alternative sources of funding can be found. Parents will however be encouraged to make whatever contribution they can. No child will be excluded from any activity because of genuine financial difficulty. A copy of the Charging Policy is available on the web site. A paper copy can be obtained from the school office.

9.1 Remissions for residential visits

Parents who can prove they are in receipt of any of the following benefits will be exempt from paying the cost of board and lodging for residential visits:

- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under part VI of the Immigration and Asylum Act 1999
- The guaranteed element of Pension Credit
- Child Tax Credit (provided that Working Tax Credit is not also received and the family's annual gross income does not exceed £16,190)
- Working Tax Credit run-on (this is paid for 4 weeks after an individual stops qualifying for Working Tax Credit)
- Universal Credit (if the application was made on or after 1 April 2018, the family's income must be less than £7,400 per year – after tax and not including any benefits)

10. Monitoring arrangements

The Head monitors charges and remissions, and ensures these comply with this policy.

This policy will be reviewed by the Finance Committee yearly.

At every review, the policy will be approved by the Full Governing Body
