## 1. Aims

Our SEN policy aims to:

- Ensure that all pupils have access to a broad and balanced curriculum
- Provide a differentiated curriculum appropriate to the individual's needs and ability.
- Ensure the identification of all pupils requiring SEN provision as early as possible in their school career.
- Ensure that pupils with SEN needs take as full a part as possible in all school activities.
- Ensure that we have a child orientated system of support involving children, parents and staff.

## 2. Legislation and guidance

This policy is based on the statutory [Special Educational Needs and Disability \(SEND\) Code of Practice](#) and the following legislation:

- [Part 3 of the Children and Families Act 2014](#), which sets out schools' responsibilities for pupils with SEN and disabilities
- [The Special Educational Needs and Disability Regulations 2014](#), which set out schools' responsibilities for education, health and care (EHC) plans, SEN co-ordinators (SENCOs)

## 3. Definitions

A pupil has SEN if they have a learning difficulty or disability which calls for special educational provision to be made for them.

They have a learning difficulty or disability if they have:

- A significantly greater difficulty in learning than the majority of others of the same age, or
- A disability which prevents or hinders them from making use of facilities of a kind generally provided for others of the same age in mainstream schools

Special educational provision is educational or training provision that is additional to, or different from, that made generally for other children or young people of the same age by mainstream schools.

SEN Needs and Provision can be considered as falling into 4 broad areas.

- Communication and interaction
- Cognition and learning
- Social, emotional and mental health
- Sensory and/or physical
