

**REMEMBER...WE ARE A NUT FREE SCHOOL**

Dear Parents & Carers,

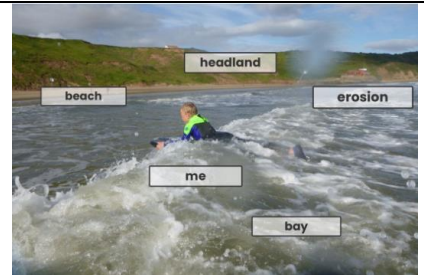

I want to say huge well done to you all. Whether your children are working at home or at school, I am so pleased with the effort and positive approach you have to your work. We are living in unsettled times and you have been quick to establish your own routines and adapt to what you have been asked to do. Thank you! Please see Page 2 for a message from the DfE and link to a free magazine to help with ideas and tips to keep children happy and healthy at home during lockdown.

As you know, school is closed and can only offer places for vulnerable children and those of critical workers if there is no alternative provision. Thank you to our families who have gone above and beyond to arrange shift patterns and home routines to keep your children at home. The message remains the same: if you can keep your child at home then you should.

If you need to book a place for your child as a critical worker, please only book days you are working. You must also let us know if you no longer need places you have booked. We currently have a waiting list for some bubbles. If you know you do not need a space, please cancel so we can offer this to someone who needs it. To book places email [leconfield@lpschool.org.uk](mailto:leconfield@lpschool.org.uk) Places should be booked before the start of the week (by the previous Friday).

Have a lovely weekend!  
Stay safe,  
Katie Tracey Headteacher

### How are you getting on...?

"Me without gravity!"

It's been a Lego kind of week!

Yum!
