REMEMBER...WE ARE A NUT FREE SCHOOL

Week 30

NEWSLETTER Friday 14th May 2021

Dear Parents & Carers,
How the weeks are flying by! With only two weeks until the half term break we are starting to look at numbers and classes for September. There have been lots of notifications of postings recently. This has a huge impact on staffing and how we can structure classes. Remember to let us know as soon as possible if you are moving or are scheduled to leave. This will really help us to help our children.

Enjoy your weekend and stay safe, Mrs Tx

Walk to School Week (Mon 17th-Fri 21st May 2021)

Next week is Walk to School Week.

We want to encourage our children to join in with Living Streets' annual Walk to School Week.

The aim of this event is to get more primary school children walking to school. It is a fun, inclusive and simple week-long activity, which improves the physical and mental wellbeing of children.

Research shows that children who do some form of exercise, especially a walk before school, arrive feeling refreshed and ready to learn. On top of this, walking to school reduces congestion and carbon emissions, improves air quality, and is good for our local environment.

Many of our families already walk to school. If this is not possible for your family because of distance and other commitments we are encouraging families to park a little further away and walk, even if you can't manage every day.

Mr Elder will be giving our classes more information about Walk to School Week and will be setting a special challenge with a prize for the winning class! So, tie your laces, buckle your shoes and fasten that Velcro and get ready for Walk to School Week!

THANK YOU FOR KEEPING US A CAR FREE ZONE!!
