### Brakes Road Safety Day

With the Summer holidays just around the corner, it is a great time to remind our children about road safety.

This week we have teamed up with DST Leconfield for some fun and informative road safety activities through the Brakes Road Safety initiative.

We loved watching a Shaun the Sheep assembly and today Mr Urwin and his team visited our classes to teach us about the Green Cross Code and the importance of wearing a helmet when biking or scooting.

Next week, Mr Urwin will be coordinating a whole school 'bubble' walk around our school to raise awareness about road safety. We would like the children to leave their uniforms at home on Wednesday and wear stripes / bright colours or something high viz. The walk will be a whole school event but we will, of course, maintain our bubbles and appropriate social distancing for the event.
