Headteacher Mrs K.A.Tracey

REMEMBER...WE ARE A NUT FREE SCHOOL

Week 37

Dear Parents & Carers,

Well, we certainly jinxed the weather at the start of the week by trying to arrange our 'bubble sports'! We will be trying again over the next two weeks so don't worry – there is still time!

We were extremely fortunate to be invited to see the new build this week. All our classes visited the site and were able to ask the builders lots of questions. What a great opportunity!

Positive cases in our very local community have risen sharply this week. Please remain vigilant and, if possible, continue with the lateral flow testing twice a week. If you are in any doubt, please stay at home and book a PCR test.

Take care, Mrs Tx

Is it Coming Home...?

Our playground messages are sending lots of encouragement to the team for Sunday's match. With good vibes like this, it must be coming home!

Longcroft Secondary School

Parents who have any questions about Longcroft or transition are invited to call Mrs Brady, Care and Achievement Coordinator, on 07388 722751.

Building update...we found out first-hand about our new building from the people in the know...

We found out about the new building, the materials and how it is being constructed. The builders told us that the building will be ready in the summer holidays. We can't wait!

THANK YOU FOR KEEPING US A CAR FREE ZONE!!

Staying up to Watch the Match?

For the first time in 55 years, England's Men's Football Team has secured their place in a major international final. I know many of our children will be staying up late to watch this potentially historic event. Whatever the result, it promises to be an exciting night and one where memories will be made. Although we do not condone missing any education, this may well be a once in a lifetime opportunity for the England Team and our nation. If it makes it a little easier for you, children may arrive at school on Monday up to 10.30am. If you are dropping off after the normal start time, please use the main entrance, do not park in the car park and observe social distancing. Our register will remain open until 10.30am and we will not record a late mark.

Please note, school will be open with our usual staggered drop off times and breakfast club will start at 7.30am for those who have booked places.

It is great to have something to look forward to and, hopefully, to cheer about after the difficulties everyone has faced. Let your children watch the match if they are interested. Have fun, talk about the National Anthem and the pride and resilience of the players, coaches, managers and fans. Mrs T.
