Dear Parents & Carers,

Goodbye Mighty Year 6 Oaks...

Today we say a final and very fond farewell to our Mighty Year 6 Oaks.

What a year it has been for their final year at Primary School.

In a year when everything has been different and nothing has been certain they have managed to keep their smiles and sense of humour. They have shown great spirit and we are proud to see them go into the world knowing they are ready for their next adventure. Mighty Oaks, know that you take with you our love and the skills you need to take on anything! You are EPIC! Mrs Tx

Fond Farewells...

Goodbye and Good Luck to all our families who leave us today to go on to pastures new. Leconfield is unique. We are proud of our diverse community. Thank you for being part of our family, it has been a pleasure and a privilege to work with you and we hope you will take lots of happy memories with you. We send our love and wish you lots of happiness as you start your next exciting adventure. Keep in touch...we would love to see what great things you achieve.

Thank You...

Thank you to our children, families, community, Governors and visitors. This has been another challenging year and, yet again, you have gone the extra mile to support each other and have been an inspiration in difficult times. Well done to you all for having fun with learning at home and for sharing your achievements with us. Thank you for working with us, your very kind words and much appreciated gifts.

And Finally...

Team Leconfield - all the wonderful grownups I am lucky enough to call my colleagues, YOU ROCK!

You continue to make me proud.

Never has it been more important to smile and, even when we have had some difficult days, you always manage to make me laugh. Thank you x

Stay safe & be kind. Rest, refresh & have a lovely summer. See you in September! Mrs Tx

September 2021

Towards the end of the holidays, I will write to you all with details of opening procedures for the return to school. We hope the number of positive cases will be more under control by then. However, we will follow the latest advice and guidance to make sure the start of the new school year is as safe and easy as possible for us all.

Acorn & Little Acorn Building

The flooring is down, the ceilings are up and the final jobs are on the way to being completed. Outdoor areas will be finished during the summer and we will be moving furniture and getting everything ready for our new Little Acorns and Acorns in September. We will be in touch to let you know when you can visit!

THANK YOU FOR KEEPING US A CAR FREE ZONE!!

KS2 'Bubble' Sports Day...

The sun shone and the sky was clear. What a contrast to the torrential rain when we first tried to do KS2 sports! Children and adults were amazing, giving 100% in every event. Congratulations everyone!

Cherry Class ~ Teamwork Makes the Dream Work...

Cherry Class noticed that one of our flower beds was starting to look more and more overgrown so they rolled up their sleeves and set to work. We'll keep a keen eye on the sunflowers over the summer. Thank you!

Road Safety & Speed Awareness Poster Competition

The Defence School of Transport would like to invite Leconfield Primary School to take part in their September Road Safety Awareness campaign, which is aimed at informing the wider community on the dangers of speeding.

Children wishing to enter can design a poster during the Summer holidays. The poster can be created in any medium and any colour, the brighter the better.

All entries should be handed in at school on the first day of term in September.

The Defence School of Transport's Commandant will choose the winning posters for categories:

Years 1 - 3

Years 4 - 6

Both winners will have their posters displayed on various notice boards in Normandy Barracks.

Leconfield Primary School will also receive copies of the winning entries printed on canvas banners for display at the school entrance.

An additional banner displaying all competition entries will also be presented to the School.
