NEWSLETTER 24th September 2021

Week 3

Dear Parents & Carers,

Another week has flown by and I have been impressed every day by the way our children have settled so quickly into the school routine. The behaviour has been impeccable from our mighty Oaks to our very youngest Little Acorns! Your children are a credit to you!

We had two visitors in school this week. Mrs Lobley was delighted to come back to school to hear children read and we were equally delighted to have her! Mrs Pollard, who is a new Local Authority Governor, came to visit and was blown away by our new Acorn provision but she was even more impressed with our Acorn children! We watched some of their first PE lesson, saw them finding spaces and rolling. Mrs Pollard commented on the excellent behaviour of the children and the clear expectations of our Acorn team. I am a very proud head teacher! Well done Team Leconfield!

**I wish you all a very happy & safe weekend.
Stay safe, Katie Tracey Headteacher**

Uniform Grumbles!

We are only three weeks into the school year and already some children have lost brand new items of clothing. We have searched the school for these, but, with over 150 children wearing the same sweatshirt it is tricky to reunite clothing with the correct owner if it is not named. Please name all items brought to school and check regularly as ink can wear off in the wash.

Please check your laundry basket and washing line this weekend because some named items have disappeared and we think they may have been taken home by accident.

Thank you!

Please Help Us to Help You

We know that sometimes plans can change at very short notice and understand that sometimes your arrangements for picking up children from school can change.

Please let us know if someone other than a parent, carer or previously agreed person is collecting your child. We know you have very busy lives and certainly don't want to hold you up at the end of the day. However, if someone different is collecting and we do not know about this we do need to check for safety reasons.

Thank you!

Remember...LAST CHANCE!

The date for the immunisations in school is 4th November.

If you would like your child to receive the nasal flu vaccine in school, please follow this link to complete an online consent form. Annual flu vaccinations are available this year to all students in year groups Reception up to Year 11.

<https://www.nhsimms.uk/FLU/information?d=117872&Type=FLU>

The link will close on 30/09/2021.

URGENT

Please return Year 4 Pedestrian Skills permission slips.

Hot Meals

We love having hot meals on the menu again and our kitchen team are doing a great job. However, I need to make you aware that we are experiencing some disruption with food orders and deliveries. I am sure you know that nationally there are shortages. The East Riding is no exception. So far, we have managed to provide a daily meal that matches our menu. However, there may be times in the future that the lunchtime meal may change at very short notice or without notice at all. We will do our very best to make sure the meal is not very different and will always make sure the children have eaten and are happy.

Thank you for your understanding.
