Our Design & Technology Curriculum Vision

"Design is not just what it looks like and feels like. Design is how it works." – Steve Jobs (entrepreneur)

In our Design & Technology lessons we ROCK!

Respectful – we are respectful of all design ideas so that we have the confidence to take risks

Open Minded – we are open minded as we develop an awareness of how design technology can impact our lives and the world around us

Curious – we are curious about how we advances in Design and Technology can change the world around us encouraging us to become resourceful and enterprising

Kind – we are kind and reflective learners who constructively evaluate our own work and the work of others

In conclusion, we ROCK!
