

## **Phonics at Leconfield Primary School**

At Leconfield we use Read Write Inc Phonics (RWI) to give your child the best possible start with their Literacy development. Miss Sellar is our Read Write Inc lead teacher, so if you have questions about RWI, contact school who can refer you to her.

### **Reading at Leconfield**

At Leconfield Primary School we aim for all our children to become **fluent, confident** readers who are **passionate** about reading.

Children who read regularly or are read to regularly have the opportunity to open the doors to so many different worlds!

More importantly, reading will give your child the tools to become independent life-long learners.

We can achieve this together through:

- **Read Write Inc, a program to help to your child read at school**
- **Encouraging children to develop a love of books by reading to them daily, at home and at school**
- **Giving children access to a wide range of books at school and at home**

### **What is Read Write Inc?**

Read Write Inc (RWI) is a phonics complete literacy programme which helps **all** children learn to read fluently and at speed so they can focus on developing their skills in comprehension, vocabulary and spelling. The programme is designed for children aged 4-7. However, at Leconfield we begin to expose children in Nursery to skills that will help them access the taught programme in Reception. We continue teaching RWI to children beyond the age of 7, as we use a stage not age approach.

RWI was developed by Ruth Miskin and more information on this can be found at <https://ruthmiskin.com/en/find-out-more/parents/>.

## **How will my child be taught to read?**

In Nursery we begin to build the foundations for RWI. We explore environmental sounds, instrumental sounds and body percussion. We focus on rhythm and rhyme, understanding alliteration, voice sounds and begin oral blending and segmenting. We share daily stories, nursery rhymes and promote the use of high quality vocabulary as well as developing children's speaking and listening skills.

In the Summer Term of Nursery, we complete a transitional unit to RWI beginning to introduce some of the sounds to the children and developing oral blending skills.

We start by teaching phonics to the children in the Reception class. This means that they learn how to 'read' the sounds in words and how those sounds can be written down. This is essential for reading, but it also helps children learn to spell well. We teach the children simple ways of remembering these sounds and letters.

### ***Reading***

The children:

- Learn 44 sounds and the corresponding letters/letter groups using simple picture prompts - see below
- Learn to read words using Fred talk and sound blending
- Read from a range of storybooks and non-fiction books matched to their phonic knowledge
- Work well with partners
- Develop comprehension skills in stories by answering 'Find It' and 'Prove It' discussion questions

### ***Writing***

The children:

- Learn to write and form the letters/letter groups which represent the 44 sounds with the help of fun phrases
- Learn to write words by using Fred Talk
- Learn to build sentences by practising sentences out loud before they write

### ***Talking***

The children

Work in pairs so that they:

- Answer every question
- Practise every activity with their partner
- Take turns in talking and reading to each other
- Develop ambitious vocabulary

### Progressing through the stages

Children in Early Years are introduced to initial sounds. Children then begin to learn how to 'read' the sound in words and how those sounds can be written down. As children progress, they follow the same format as Early Years but will work on complex sounds and read books appropriate to their reading level. Daily sessions of RWI phonics last 30 minutes.

#### Five key principles underpin the teaching in all *Read Write Inc.* sessions:

**Purpose** - know the purpose of every activity and share it with the children, so they know the **one** thing they should be thinking about

**Participation** - ensure every child participates throughout the lesson. Partnership work is fundamental to learning

**Praise** - ensure children are praised for effort and learning, not ability

**Pace** - teach at an effective pace and devote every moment to teaching and learning

**Passion** - be passionate about teaching so children can be engaged emotionally.

#### Children will be taught how to read as follows:

Before you start to teach your child, practice saying the sounds below. These are the sounds we use to speak in English. Children initially begin using pictures for each sound, this will help children recognise the sound and then form the shape of the sound.

#### Fred Talk

We use **pure sounds** ('m' not 'muh', 's' not 'suh', etc.) so that your child will be able to blend the sounds into words more easily. At school we use a puppet called Fred who is an expert on sounding out words! we call it, 'Fred Talk'. E.g. m-o-p, c-a-t, m-a-n, sh-o-p, b-l-a-ck.

The following video is an example of blending sounds with Fred.

## RWI Set 1, 2 and 3

The children are taught the sounds in 3 sets.

### Step 1:

**Set 1 Sounds** are taught in the following order together with rhymes to help children form the letters correctly and instantly recognise sounds ready for blending.

### Step 2:

The children are then taught **Set 2 Sounds** - the long vowels. When they are very confident with all of set 1 and 2 they are taught **Set 3 Sounds**.

## Set 2 Speed Sounds

Sound	Phrase	Words to practise reading and spelling
ay	ay: may I play	play, day, may, way, say, spray
ee	ee: what can you see	see, three, been, green, seen, sleep
igh	igh: fly high	high, night, light, fright, bright, might

ear	Hear with your ear	hear, dear, fear, near, year, ear
ure	Sure it's pure	pure, sure, cure, pic/ture, mix/ture, ad/ven/ture

### **Nonsense words (Alien words)- What a load of nonsense!**

As well as learning to read and blend real words children will have plenty of opportunities to apply their sound recognition skills on reading 'Nonsense words'. These words will also feature heavily in the Year One Phonics Screening check in the Summer term. These words provide endless opportunities for children to apply and practise their thinking in a range of different contexts.

## How to say the sounds

### Step 3:

Within all the RWI sessions/books children will be exposed to **red** and **green** words to learn to help them to become speedy readers. **Red** words are words that are not easily decodable and challenge words to extend children's vocabulary. **Green** words are linked to the sounds they have been learning and are easily decodable.

Dots and dashes represent the sound each letter makes.

During the RWI session children will read the book three times and at each new reading they will have plenty of opportunities to practise using their developing comprehension skills. You may have heard your child talking about '**hold, edit or build a sentence**'.

**Hold a sentence** is an activity that encourages children to remember a whole sentence while focusing on spelling and punctuation.

**Build a sentence** is to give children the opportunity to create their own sentence that shows the meaning of a word and **edit a sentence** allows the children to critique a sentence using their knowledge of spelling, punctuation and grammar. Children complete a longer piece of independent writing, which gives them the opportunity to show off their creativity and to practise their spelling, grammar and punctuation.

### To help at home:

Your child will start to bring books home when they are confident readers, relating to their reading stage. You will find they will bring home a phonics based book, this will aid application, speed and fluency- developing speedy reading! Following on from this, they will bring a comprehension based book which will begin to enrich their reading, which will require decoding skills. Only then, children will bring home enriched reading books which will enhance their understanding via inspirational language promoting depth to their understanding.
