NEWSLETTER Friday 8th September 2023

Dear Parents & Carers,

Welcome Back

On behalf of everyone here at Leconfield Primary School I would like to welcome you to a new school year. Welcome to our new families, our new starters in Acorn and Little Acorns and to our new staff. Thank you to you all for such an enthusiastic start to the school year.

We have enjoyed seeing everyone again and meeting and welcoming our new families. I am sure everyone will settle quickly and will be made to feel at home.

All our children have made us so happy and proud because they have come into school so well with great attitudes, manners and big smiles – what stars they are!

A Moan about Road Safety

I apologise for including a moan in the first newsletter of the year but I am sure you will understand my frustration and concern. If your child comes to school on a bike please, please make sure they get off their bike when they arrive at school and do not ride up and down the lane outside of school. We have had reports already this week of children weaving in and out and skidding up to families who are waiting to come into school. This is irresponsible and dangerous. I have spoken to all our children about appropriate behaviour. Please help us by reinforcing this message. Children have also been reminded that they must wear a helmet if they are travelling by bike or scooter. Thank you.

Keep in Touch

We have sent home information about how to sign up to Seesaw and ParentPay. We send lots of messages through Seesaw and ParentPay so please make sure you have signed up to these. Seesaw is a great way for you to see what your child is doing at school. ParentPay is how you pay for school meals and trips and also how you book places at breakfast and after school club.

Please remember to make sure we have your up to date contact details. We may need to contact you if your child is ill so it is very important we can do this.

Have a lovely weekend, Katie Tracey, Headteacher

Rock to the Top with Reading!

We all know how important reading is. If children struggle to read they will have difficulty accessing lots of activities throughout their school lives. Regular reading is vital to help children develop this life skill. Children read in school but also need to read as much as possible at home. To help encourage regular practice we have introduced our Rock to the Top reading rewards. Every time children read at home they will progress up the Rock to the Top chart. Please give as much time as you can to hear your child read, encourage them to enjoy reading a range of books and comics and read to them.

Dates for Your Diary...

27.10.23	End of half term
6.11.23	School Opens
w/c 27.11.23	Year 3 Swimming (+ some Y4 & Y5)
