

CHERRY CLASS

Summer NEWSLETTER 2024

Welcome back! I hope you had a lovely Easter holiday. Miss Allanson is your class teacher. Miss Woolhouse will also be supporting Cherry Class.

English

We will 'Rock to the Top' with our reading. We will be encouraging children to read at home at least four times a week and they will move closer to the top of our 'Rock to the Top' board. I really hope that every child reaches the top. We will also be learning about poetry. Our 'take one book' for this half term is 'The Language of Cat and other poems'.

Maths

In Maths we love a challenge so there are lots of problem solving activities for this term. Year 4 keep practicing your multiplication tables - you are doing amazingly well.

Music

We ROCK! This term we will be creating our own improvisations and learning about orchestras.

Design Technology

This term we will be learning about textiles and cross stitch. We will be designing our own patterns.

Science

Our budding scientists this term will be learning about scientific enquiry as we investigate plants and animals including humans. We will be learning about skeletons, teeth and digestive systems.

French

In French, we will be learning the vocabulary for animals and the classroom. We will also be continuing to practise our phonics in French.

PE

On PE days, children should come to school dressed in their PE kits. Please make sure long hair is tied back, earrings are removed or covered with ear tape on PE days. This term we will continue our gymnastics sessions on a Monday. Then we will be practising our throwing and catching skills as well. Further information will be sent out via Seesaw.

Geography

This term we will be learning about South America and Brazil. We will be learning about daily life there and comparing it to our own. Also, we start to explore the Amazon Rainforest.

History

We will be travelling back in time to the Anglo Saxons. What happened after the Romans left? We will be learning about Sutton Hoo and have a special visitor who will share lots of artefacts with us.

Parents/Carers - keep in touch

If you would like to have a chat with Miss Allanson please contact the school office.

I will respond as soon as I can.

Keep a look out for posts on Seesaw as well. If you need a new QR code please let me know.
