Dear Parents and Carers,

Warmer Weather & Sun Protection

It seems as though spring is finally here and this week we have really enjoyed playing on the field in the sunshine. Please remember to send sun hats and water bottles to school clearly marked with your child's name.

When it is hot and sunny we make sure children take advantage of the shaded areas and we always encourage children to drink plenty of water. Suncream should be applied before children come to school. We ask that, wherever possible, suncream is not brought into school to avoid issues with allergies, spills and lost lotions. Thank you for your support.

Hopefully all this talk of sun and warmer temperatures has not jinxed the weekend weather!

Have a lovely weekend, Katie Tracey, Headteacher
