**“All are welcome” Alexandra Penfold (author)**

In our PSHE lessons we ROCK!

- **R**espectful – everyone is valued and has a place in our community. We are all equal.
- **O**pen Minded – our minds are always open to new experiences and ideas that may be different to our own.
  - **C**urious – we are curious about ourselves, others and the world around us.
- **K**ind – we know that being kind is important in all relationships. We take responsibility for our role in the world.

**In conclusion, we ROCK!**
